Beach Community Bank Opens Tampa Branch

Tampa—On August 5, 2019, just one year after the establishment of its successful Tampa Loan Production Office (LPO), Beach Community Bank opened the doors to its Tampa retail banking branch. Marking a new milestone as BCB’s first branch location outside of the northwest Florida region, the opening furthers the bank’s commitment to its growing central Florida client base.

“We’re excited to introduce Tampa to relationship driven, business centric, community focused banking,” said BCB President and CEO Chip Reeves. “And we’re here to offer the tailored services and expertise our customers in this region need.”

At the helm of the Tampa retail branch is Penny Hendricks, whose well-rounded financial services expertise includes consumer banking and mortgage services.

“Under Penny’s leadership—along with Tampa Market Presidents Henry Gonzalez, Steve Stagg and the rest of our outstanding central Florida team—I believe there is no limit to what can be achieved in the second year of our Tampa presence,” said Reeves.

Beach Community Bank’s new Tampa branch is located at 701 North Franklin Street. Branch staff may be reached at (813)607-5833.
